

Palmetto Beach Club

New look? You can sleep on it

This winter, our Palmetto Beach Club units' bedrooms got a makeover. With new beds, mattresses and furniture, it will be a pleasure to come into after a fun day on the beach, on the links or in the stores.

Please let us know your e-mail

In this computer age, we are looking to be more efficient for our owners and save you money as well. If you will let us know your e-mail address, we will send your pre-arrival letters electronically to you.

Regency Towers Boards sets new Assessment

The Regency Towers Board of Directors has issued an assessment for all owners. This means our Palmetto Beach Club owners will be assessed \$23.18 two billings only.

New Skywheel soars over Myrtle Beach boardwalk

The largest Ferris wheel east of the Mississippi has opened on the new Myrtle Beach boardwalk. Soaring almost 200 feet in the air, the Skywheel offers incredible views of the city, Ocean Boulevard and the Atlantic Ocean and beach. The wheel has 42 climate controlled enclosed gondolas. At night, a million LED lights offer a fun show as well.

At the foot of the Skywheel sits the Landshark Bark and Grill—the third Jimmy Buffet themed restaurant in the city. With an open bar overlooking the boardwalk and beach, the Landshark offers a great place to sit, enjoy some drinks and food and watch the world walk by. Myrtle Beach is the only city in the U.S. with three Jimmy Buffet restaurants—the other two being Margaritaville and Cheeseburger In Paradise.

Give us a ring

To make life a little easier for our owners, you can now pay your fees and deposits by credit card over the phone. Just give us a call at 800-965-3499.

Next budget

Enclosed you will find a copy of your next budget for Palmetto Beach Club. We have worked hard to keep your costs down while continuing to make sure our owners and guests enjoy one of the top resorts in Myrtle Beach.

Updates everywhere around Palmetto Beach Club

In addition to the incredible bedroom updates, our owners and guests will see some new things before they pull into their parking spot.

After battling the city and the city's Community Appearance Board, Regency Towers finally has a new sign at the north corner of the parking lot and Ocean Boulevard. The 20-foot sign will now make it easier for our guests to know they've arrived at one of the top resorts in Myrtle Beach.

When you come into Regency Towers, you will notice a newly-painted lobby area. The vending machines that once stood at the entrance to the Regency Room have now been moved down the hall into the alcove where all the brochures are located.

In the units, you will notice that all of the doors leading from the master bedroom to the balcony have been painted.

Your fun begins at 4 p.m.

Because of all the enhancements and the continued excellent reputation of your resort, we are seeing more and more folks heading to Palmetto Beach Club. And with that, the time between check-out at **10 a.m.** and check-in at **4 p.m.** is even more essential for housekeeping and maintenance. We want to make sure that your unit is in the best condition possible for your arrival and for those renting your unit. Please note that as much as we would like to accommodate early arrivals, we have to adhere to the **4 p.m.** check-in time. If, because of flight schedules or other uncontrolled circumstances you have to arrive early, the Regency Room has been newly remodeled with comfortable furniture, a big screen TV and an Internet-ready computer for your use as well as the pool and other facilities until **4p.m.** Thanks for your understanding and cooperation in this matter. We know that you want your units to be of the highest standards possible for yourselves and your guests.

Don't forget Rights of Survivorship

There have been a number of changes in the probate process. Instead of just making additions, any changes to a deed means an entirely new deed is required. Please make sure that if more than one name is on your deed, the Rights of Survivorship is included. This will save having to go through the probate process which can be costly and frustrating. Let us know if you have any questions or need assistance with this.
